GALLERY WEEKEND BERLIN 2025

Bonnie Camplin & Beatrice Brown

Holographic Universe

Opening: Friday, 2 Mai, 2025, 6–9 pm

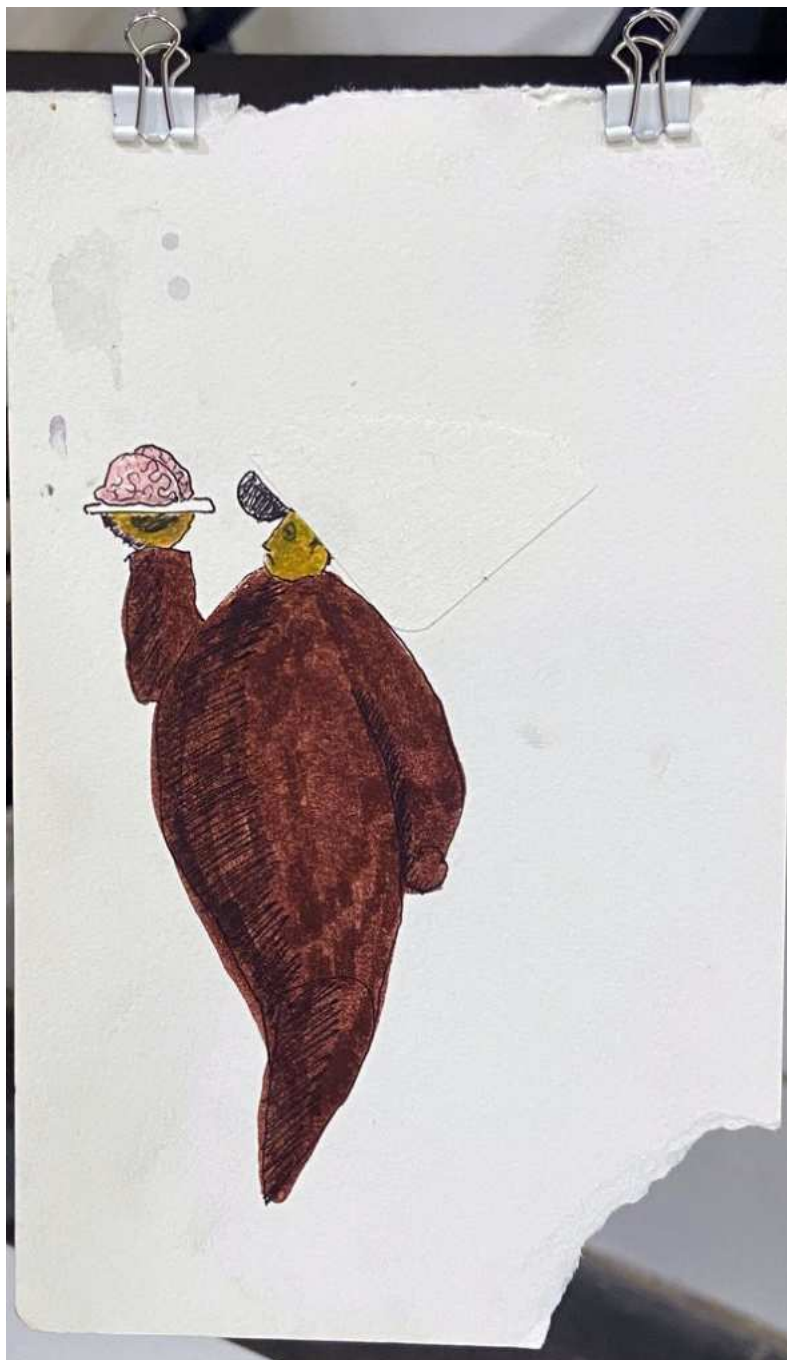

03.05.–28.06.2025

Fichtebunker, Fichtestraße 6, 10967 Berlin, Germany

The Holographic Universe is a duo exhibition of Beatrice Brown and Bonnie Camplin. The two artists explore the fluidity of reality through psionic protocols, amnesiac retrieval methods, and speculative fiction. Their practice moves between artistic research, non-linear thinking, and alternative models of consciousness research—always with the aim of opening up new spaces of knowing. The exhibition also marks Brown's first major presentation in Berlin.
