At this year's Art Cologne, EBENSPERGER presents a poetically humorous, pictorial exhibition on the current instability, unrest, and fluctuations of the economy. The booth presentation will take a look back at the miracle years of the German economy (**Peter Berndt, Bernd Koberling, David Moises, Hans Dieter Tylle**), a side view on the GDR (**Gundula Schulze Eldowy**), a status quo look at the current situation, and a look ahead to possible scenarios (**Lea Draeger, Jens Pecho**).
